Chorus VP – Working on getting class rosters finalized.

Color Guard VP – Flags are still a work in progress – some needed since show silks not in yet.

Secretary – Minutes from September, 2108 were distributed and upon motion made were unanimously approved.

Treasurer's Report: Treasurer reported a general fund balance of \$5,537.68, a guitar fund of \$1,287.64, a student account balance of \$4,553.64 – it's noted the balance remains the same as last month even though some students have graduated and assistance will be needed in identifying those students. The Marching Band fund currently has \$57,496.69 in it with most major expenses yet to come. We have opened new accounts at TD Bank and will transition accounts over. Quick Books has also been ordered. It was noted the phone will not be paid for once the BB&T account is closed because it was on auto-debit. A small discussion took place regarding the phone in the music office with Mr. Heist agreeing to speak to Terri Shannon (IT person at BHS).

Fundraising – (submitted electronically) – Only three students sold Claire's. Yankee Candle will run from 10/15-11/6. Have list of restaurant nights. It was

suggested that Facebook events be created on the public dates and the dates forwarded to Secretary for insertion in TWIM.

Spirit Wear –Bands by the Bay went well and will sell at winter concerts.

Concert Attire – Melissa Kibler stepping up to help with this. YAY!
